DETAILED ACTION

Response to Arguments

Applicant's arguments, see page 7, filed 10 July 2006, with respect to claims 1-10 have been fully considered and are persuasive. The rejection of claims 1-10 has been withdrawn.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claim 11 is rejected under 35 U.S.C. 102(b) as being anticipated by Havens et al. (5,296,769), hereinafter "Havens". Havens discloses a motor-fan assembly (20) including a diffuser (25) in the form of a disc-shaped plate having a lower surface (35), a first plurality of vanes (37) located on the outer periphery of the plate, and a second plurality of vanes (36) located on the lower surface (35) of the plate. The first plurality of vanes (37) are shaped and angled downward to direct the flow towards the lower surface of the disc. Also, the second plurality of vanes (36) is arranged circumferentially for slowing and directing airflow to the interior of the fan assembly. .

Allowable Subject Matter

Claims 1-10 are allowed.

Claim 12 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
